

MONGOLIAN MISSION TEAM

July 2016

Yes, even in UB, Mongolia they are having a heat wave. This July was a hot time throughout the entire country. The temperatures got up to 35C. This makes it 95F in USA measurement. From what I was told this is a record dating back to 1988. Just wanted you to know, God's people in Mongolia feel your pain with the present

A great big thank you from the young people of the Rich Heart NT Baptist Church, to the young people of the Beacon MBC of Redding California. The young people from Beacon collected and sent an offering for them to

Work continues on the remodel of the Church building in Uginoor. Three young men from Rich Heart NT Baptist Church are in the process of adding much needed insulation, plaster, and paint to the outside of the building. Pastor

Tuushin and the church are so thankful for all who have had a part in making this building a special place for God's people in Uginoor to worship.

purchase tents for their first youth camp. 23 young people from Rich Heart went to the river and spent time playing together and having great

lessons and time of sharing their faith and testimonies. We are very proud of the youth in our churches. They understand that this world has little to offer them, compared to what God has in store for his faithful Bride in eternity.

We ask you to put Charlotte Carrell on your prayer list. For the past few years her knee has been given her problems, especially walking up the many stairs in our building. The doctors have recommended a full knee replacement. They are now waiting on a date for surgery. Our prayer is that she will have a full and quick recovery.

Please let us recommend a great book about the Bride of Christ. This was written by Pastor Dennis Wharton. You will not need to be a theologian to understand this important and often misunderstood doctrine of the Baptist faith. It can be downloaded or purchased in paperback at Amazon.
